### Proposed Action to be Taken

After analyzing the feedback received from the stakeholders, it has been decided to take action in the following areas:

- Completion of syllabus: To monitor the timely completion of syllabus, monthly
  review will be taken by the HOD and quarterly review by the principal.
- Study material: On the basis of the feedback received, more study material will be provided to the students.
- Doubt clearing classes: Keeping the feedback of students in mind more classes will be organized for clearing doubts.
- More vocational courses:- More vocational courses will be included in the curriculum.
- 5. More computers:- Seeing the student computer ratio, more computers are required.
- Upgradation of Library:- More reference books in Hindi to be purchased for 4th year (UG, Honours) students of all faculties.
- Separate UG and PG labs:- Keeping in mind the number of UG and PG students, separate labs to be constructed for UG and PG students.
- 8. Skill development programs: Keeping in mind the students' feedback more skill development/short term training programs to be organized.
- 9. Infrastructure:-
  - More smart classes:- Seeing the large number of students, 1 or 2 more smart classes to be made available in the arts faculty.
  - Parking facilities: Parking facilities to be increased due to the large number of students using them.
- Recruitment of class III and IV staff: For smooth functioning of college, specially students section, more class III and IV employees to be recruited.
